30th October 2023

Dear Principal,

Information Day of Wa Ying College

We are writing to inform you that our school will organize the Information Day in December 2023. This year, we are running two identical sessions to better facilitate those students and parents who are interested in gaining a better understanding of our school.

Details of the Information Day are as follows:

Date of the 2 identical sessions: 9th December 2023 (Saturday)

Time: Session 1: 10:00 – 12:30

Session 2: 14:00 – 16:30

Programmes: 1. Principal's Talk

Introducing our school mission, curriculum features,
campus life and S1 interview information

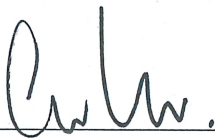

2. Exhibition and Booths

Showcasing students' learning activities and design of the
junior form curriculum

Attached please find the poster of the captioned event and copies of our school leaflets which provide the information about the latest development of our school. It is hoped that such information enables parents of your Primary 6 students to have a better understanding of our school, which can facilitate them to make the right choice for their children in the application of S1 Discretionary Places 2024/25.

We would highly appreciate it if you could help disseminate the leaflets to your Primary 6 class teachers and students. For details about this event, please refer to our school website: <http://www.waying.edu.hk>.

Yours truly,

Dr. Wun Chi Wa

Principal
